

TEAM WEAR SPECIALISTS

STOCK CATALOGUE 2013

The symbol of infinity reflects our limitless choice of design and service. This is an integral part of Zoo ethos, there is no limit.

We excel in quality, innovation and service. Initially providing made to order elite sports kit for sporting teams across the UK and Europe, we now have an ever growing collection of immediately available "stock" product to supplement our wide variety of options.

This catalogue is designed to identify what we have in stock. Our commitment to quality, innovation and service remains an integral part of our strategy.

We produce product for a range of sports, including football, rugby, netball and hockey, stretching across the full range of the playing spectrum. From schools and universities, to professional and international teams.

Zoo Sport provides original and innovative technical team wear, as well as premium leisure wear. Our flexibility on product within this catalogue allows the opportunity for customisation, that will ensure personal and club exclusivity.

We also have an extensive range of exclusive made to order product options covering a variety of different sports and usage. Please see our made to order catalogue.

LOGO FORMAT

Electronic:

Preferred format for logos is vector - Adobe Illustrator (AI or EPS file), TIFF or JPEG files are acceptable for production but not suitable for accurate CAD representation.

Hard Copy:

If there is not an electronic version available, the logo should be a good quality hard copy. This can be a paper bromide, a logo specification sheet or laser printout. Letterheads are not suitable unless the logo is very clear and simple. A rugby jersey (or similar) is not suitable.

COLOURS

PMS or Pantone:

Pms or Pantone code numbers must be provided if you require an exact colour, otherwise standard Zoo Sport colours will be used.

Maderia:

For embroidery, Maderia code numbers must be provided if you require an exact colour, otherwise standard Zoo Sport colours will be used.

ORDERS

Production:

Lead times for made to order items are available on request. Stock items are immediately available.

Quantities:

Minimum order quantities for made to order items is 10 pieces. There is no minimum order for stock items.

Design & Artwork Approval:

All designs and artwork must be approved prior to submission of order and production.
